

TITLE

- 3222 Instruction Book for Model 2A-2J-24, Aircraft Transmitter Equipment (3 copies)
- 3223 Handbook for Model TA-2G, TA-2H, TA-2J and Power Supply/Control Unit RAAF Pub 404 ---
- 3224 Handbook for Rack Mounting HF Communications RX DCA Type R20
- 3225 Handbook for 50W Twin Channel HF TX Type T23 (TCA)
- 3226 Handbook for SSB TX Type T22 (AWA)
- 3227 Handbook for SSB Exciter Type EX1 (AWA)
- 3228 Handbook for HF Communications Transmitters Types T9 and T9A (AWA) (2 copies)
- 6300 Instruction Book 2847R for AWA AS4 Aircraft Receiver Type R2847
- 6301 Instruction Book 2923R for AWA AS3 Aircraft Transmitter Type J2923
- 3229 Handbook for HF Communication RX Type R20
- 3230 Airways Radio Equipment RX Type C7000 (2 copies)
- 3231 Handbook for SSB RX type R22
- 3232 Drawings Launceston Selcal SSB and various
- 6315 Perth International Tx Station Equipment Layout (Sheet 1 of 7)
- 6316 Drawings: Tx AT13W Mk1 O/A Schematic; Mk 2 Cabinet Interwiring (incomplete)
- 6317 Drawings Perth Tx Station Tx overall schematic: Types SWB8W; SWB8E; SWB11
- 6318 Training Notes and Drawings re Original FM Radio Links East Coast Australia, 1953-61
- 3233 General Description and Operating Instructions for Shortwave TX Type SWB 8W
- 3234 Component List and Circuit Diagrams SWB 11E
- 3235 Instructions and Material List SWB 8W
- 3236 Description and Operating Instructions for TX Type SWB 11E
- 3237 General Description and Operating Instr. For TX type SWB 11E Telegraphy Edition
- 3730 Technical Handbook, ILS test Eq. Vol.1 Two Tone Generator Type QB11-A
- 3731 Report – CW VHF Navigation Aids – ILS Localiser
- 3238 Operation and Maintenance of Test Equipment IE-12A and IE-12-T2
- 3239 RAAF Pamphlet 49 – TX/RX TR5043 (SCR522) Tuning Procedure and Common Faults 1944
- 5589 Technical Manual TM11-913 for Power Unit PE-214-A; US Army, War Department, 1943
- 3240 Instruction Book for Model TA-2J-24 Aircraft TX Equipment
- 3241 Instruction Book for VHF Communications RX Type C55917 (2 copies)
- 3242 Instruction Book for Operation and Maintenance of Radio Set SCR522 and SCR542 (2) 1943 War Dept USA
- 3242A Instruction Book for Operation and Maintenance of Radio Set SCR522 and SCR542 (2) 1943 and working drawi
- 3243 Airways Radio Equipment Instruction Book for Type AR7 RX
- 3244 Instruction Book for VHF Telephone TX Type 1628
- 3245 Service Manual for Bantam VHF/AM Radio Telephone Type HP1AM (2 copies)
- 3246 Handbook for VHF Transceivers Portable and Mobile Types RT12 and RT13 (Vinten)
- 5621 TM 11-850; Radio RX BC-312, BC-312X, BC-342, BC-314 & BC-344; US ARMY, WAR DEPARTMENT, MAR
- 5622 Technical Manual TM 11-823, Radio Transmitter-Receiver Type 1505; US Army, War Department, SEPT 1943
- 3247 Handbook for Mobile VHF/FM Transceiver Type RT21 (2 copies)
- 3248 Handbook for TOR TRC523 and TRC523A (TOR=Teletype Over Radio) Vol.1
- 3249 Handbook for TOR TRC523 and TRC523A (TOR=Teletype Over Radio) Vol.2
- 3250 Training Handbook for Communications Officers – Teletype Equipment DCA Pub.9
- 3251 Description of Typing Reperforator TX 15F-15D
- 3252 Teletype Printing Telegraph Description Type BAR Printer CR Model 15
- 3253 Teletype Printing Telegraph Description and Adjustments Signal Distortion Test Set
- 3254 Teletype Typing Reperforator Model 14 – Adjustments
- 3255 Handbook for Frequency Shift Keyer DCA Type KY5

3256 Handbook for Frequency Shift Keyer DCA Type KY5 Issue 2 (2 copies)
3257 Handbook for Frequency Shift Keyer DCA Type TH2 (Trimax)
6310 Operating Instructions, Telegraph Distortion Monitor; AIRMEC, UK
6329 Instruction Manual for Transmitter AT12B/C (plus mod. For NDB Operation) AWA
3732 Installation Manual for Radar Data Extractor EV674
3258 Manual for Microwave ILS TX 20W 5.2GHz Type 4-SU129A
3259 Handbook for 75Mc Marker Beacon Installation
3260 Handbook for ILS Glidepath Equipment Type T41
3261 Instruction Book for Marker Beacon Installation Type J52254 and IJ52254
3262 Handbook for Ground TX MF 100W Type T49 (Commonwealth Electrics)
3263 Airways Radio Equipment TX Type 500C (2 copies)
3264 Preliminary Instructions for Type 500C Radio Transmitting Equipment
3265 Airaco Medium and High Frequency TX type 500C Modified
3266 Handbook for VHF Visual and Aural Radio Range Equipment
5522 Radio Equipment Maintenance Procedure (interim instructions 1949-1950)
3267 Airways Radio Equipment VHF Radio Range
3268 Technical Manual for Autonomous Scan Converter IP5700T14D
3269 Description and Maintenance VAR Motor Alternator Units
3270 Handbook for Automatic Monitor and Changeover Equipment DCA Type C1 (Pope Elec) 1958 DCA
3271 Adjustment Handbook for T1452 Video Scan Converter
3272 Handbook of Maintenance Instructions radio Compasses Types MN-26A etc. (2 copies)1943 War Dept USA
6369 Drawings - Console Module Index - DOA Radio Installation Group
6490 Training Instructor Notes DCA Equipment Theory (4th Year); 1957
6308 Handbook WR-AT13L Transmitter; Cabinet rebuild of AT13C LF Tx for NDB use (Shipping)
6309 Handbook (2 items) WR-500C Transmitter rebuilt as NDB DCA
6320 VAR Drawings Airco and DCA HR 31001 Sheets 1-23
6321 VAR MK 3 & mk4 Drawings HR31000 Sheets 1-31; HR31001 Lists sheets 1-41, Airco
6330 Three PMG Manuals: Workshop Practice, Building Construction, Telegraph Instructions.
6331 PMG Manual Radio 1, 1952
3273 Specifications – Surveillance Radar
3274 Airways Radio Equipment – Relays1 – Construction and Adjustment (2 copies)
3275 Type Test Record DME Beacon Type DM6
3276 Component Schedule DME TX and RX Ground Station
3277 Instruction Book for DME Ground beacon IJ52232 Part 5 – RX Rack 1154681 (4 copies - 1 on display)
3278 Handbook for NDB Monitor Type C1
4248 Handbook for DME Beacon Type DM6-DM7 Book V (2 copies)
3279 Directions for Use Cathode Ray Oscilloscope GM5655I02
3280 Advance “Q” Meter Type T1 Instruction Manual
3281 Instruction Manual Model VCT-2 – Model ET-3 Valve Circuit Tester
3282 Operating Manual Model MVA-100CN 100K Ohms/Volt Multimeter
3283 Instruction Manual V-O-A Meter Model D-200 (2 copies)
3284 Instructions for Use “University” Multimeter and Output Meter Model MVA/2 (2 copies)----University Aus
3285 Instruction Manual VT Multimeter Model VTM (2 copies)
3286 Instructions model VCT Valve and Circuit Tester
3287 Instructions for Operating and Installing Westat Constant Potential Rectifiers
3288 Instructions for Test Equipment IE-36 (revision)
3289 Instruction Book for Operating and Maintenance of Test Equipment IE-19-A
4208 Instruction Manual for Farinon UDL-634 Single-channel Direct to line Multiplexer

- 4209** Manual for Assmann Tape Recorder Type VMG 14
- 3290** Handbook for Model 601 Portable Field Detector for VAR type TS19 (RA Ratcliffe) (3)----
- 3291** Operational Notes on VHF Omni Range (VOR) (4 copies)
- 3292** Operational Notes on Visual Aural Radio Range (VAR) & Marker Beacons (5 copies)
- 3293** Instruction Book for Type CA-1374 Signal Generator Audio VOR-ILS
- 3294** Instructions for UHF Radio Transmitter Type TUJ (2 copies)
- 3295** Instruction Book for Type CA-291 Radio Range Keyer (3 copies)
- 3296** Airways Radio Equipment VHF Radio Range (VAR) (3 copies)
- 3297** Airways Radio Equipment 33Mc Radio Range Beacon Equipment Type J3707 (4 copies)1947
- 3298** Instruction Book for AWA 9 Metre Radio Beacon Transmitter Type J3707
- 3299** Component Schedule for Transmitter BC-797 Remote Control Unit RM13A RX Type 201A ----
- 3300** Short Distance Radio Navigation – US Air Coordination Committee
- 3301** Lab Report No.536 Two Tone Generators Modification
- 3302** Instruction Book for VHF Signal Generator Type CA-211-A
- 3303** VAR Range Information
- 3304** Automatic Landing Systems – Collection of Articles
- 3305** AWA Aviation Dept. - Flight Evaluation Procedures
- 3306** Paper on LORAN-C (3 Folders)
- 3307** Proposal for Design and Supply of TDM Conversion Equipment for DOT
- 3308** Operational Notes – Instrument Landing System (ILS)
- 3309** VAR Drawings (3 Volumes)
- 3310** Component Schedule for Visual Aural Range (VAR)
- 3311** Instruction Book for Frequency Converter Type CA-794, Alt. Control Unit CA-797 (2)
- 3312** Preliminary Instruction Book for Field Detector Serial No's (1-16) UHF
- 3313** Preliminary Instruction Book for Remote Control Serial No's (1-8)
- 3314** UHF Radio Range Equipment Test Data 3461-Ch1-42.05
- 3315** Instruction Book for Radio Range Equipment
- 1540** General Instruction Book for UHF Radio Range Equipment (Serial Numbers 1-8) US Army Signal Corps
- 3316** Preliminary General Instruction Book for UHF Radio Range Ser No's (1-8)
- 3317** Preliminary Instruction Book for Speech Amplifier Ser No's (1-8)
- 3318** Preliminary Instruction Book for Side Band Modulator Ser. No. (1-16)
- 3319** Preliminary Instruction Book for Voltage Regulator Ser. No. (1-32)
- 3320** Preliminary Instruction Book for Relay Power Supply Ser. No. (1-16)
- 3321** Preliminary Instruction Book for Remote Control Equipment Ser. No. (1-8)
- 3322** Preliminary Instruction Book for Combination High Pass-Band Rejection Filter
- 3323** Preliminary Instruction Book for Sideband Generator Ser. No. (1-32)
- 3324** Preliminary Instruction Book for Hybrid Unit Ser. No. (1-16)
- 3325** Preliminary Instruction Book for Driver for Carrier Modulator Ser. No. (1-16)
- 3326** Preliminary Instruction Book for Antenna Array
- 3327** Preliminary Instruction Book for Carrier Modulator Ser. No. (1-16)
- 3328** Preliminary Instruction Book for Monitor Amplifier Ser. No. (1-8)
- 3329** Preliminary Instruction Book for Driver for Sideband Modulator Unit Ser. No. (1-16)
- 3330** Instruction Bulletin for 32A Radio Receiver & 507A Radio Receiver
- 3331** VAR Motor Alternator Units – Description and Maintenance Parts List
- 3332** Installation and Operating Book for Radio Range Equipment 112Mc VAR System
- 3333** Operational Notes on NDB & ADF
- 3334** Air Legislation Exam for Student, Private & Commercial Pilots
- 3335** Air Legislation Exam for General Aviation Pilots
- 3336** VAR Monitor Drawings

3337 VAR Range Mark III Airaco Drawings
3338 VAR Monitor Rack & VAR Documentation
3339 VAR Course forming Equipment Drawings
3340 Handbook for Installation & Maintenance of VHF Omnirange Series 483
3341 Component Schedule for VOR
3342 Parts Catalogue for VOR Series 483
3343 Performance Tests of the NARCO VHF Omni Receiver
3344 General Handbook for VOR Omni Range AME Type RAO 1615/2 DCA Type T52
3345 Working Instructions for METRIX Multimeter Model 477
3346 Component Schedule for Modulation & Control Unit Type 1J3427
3347 AWA offer to supply Solid State Beacons to DCA Vols. 1 & 2
3348 Technical Description – Solid State VOR Equipment for DCA Vol.2
3349 Prototype Report Doppler VHF Omni Range Beacon
3350 Doppler Evaluation Report Part One – Bendix System
3351 Interim Handbook for Installation & Maintenance of VHF Omni Range Type T52
3352 Component Schedule for VOR Type T52
5497 Stacking Antenna for difficult VOR sites (DOT and Sydney University Dec 1980)
3353 A New VOR Antenna for the Australian Environment (Aviation Nav Group Sydney Uni)1983 Sydney University
3354 Doppler VOR (5 Folders) & one Book of Drawings
6312 Training Notes VAR DCA NSW
6325 Wobuloscope Receiver Metrix 230C Signal Generator Range 5-220 Mhz
3355 Handbook for 75Mcs Marker Beacon Installation (2)
3356 VOR Reports (2 copies)
3357 Instruction Book for 478A1 ZIFOR (Zero for Omni Range)
3358 Instruction Book for 478A2 ZIFOR
3359 Technical Instructions for Mixer Unit CM455 (HA13) Modification for Tullamarine Radar 1963
3360 Goniometer Type GON 1622/1
3361 60 c/s Generator Type COF2609/1
3362 Oscillator Keyer Type OSMA 2415
3363 Modulation Eliminator Type DEM 2373/1
3364 200w VHF Transmitter Type 1278/3
3365 Field Detector Type DEC 1630/1
3366 General Handbook for VOR Omni Range AME Type RAO1615/2 DCA Type T52
3367 VOR Low Frequency Signal Generator Type 103
3368 Automatic Changeover Unit INA 2432 (2 copies)
3369 Instrument Landing System – Concise Details Localiser STAN 7
3370 Instrument Landing System LOC STAN 7 Sec 7 Circuit & Schematic Diagrams (2 copies)1962
3371 ILS Test Equipment Portable Modulation Meter (Loc) Type QB3
3372 ILS LOC STAN 7 Vol.1 (2 copies)
3373 ILS LOC STAN 7 Remote Control
3374 ILS Test Equipment Vol.1 Two tone Generator Type QB11-A
3375 Handbook for ILS Glidepath Equipment Type T41 Vol.1 & 2
3376 Component Schedule STAN 7
3377 Handbook for ILS Test Equipment (STC Australia)
3378 Handbook for ILS Test Equipment Modulation Generator Type 7Q5-SU-3A,B,C,D
3379 Handbook for ILS Marker Beacon Equipment Types T42, T43 (STC)
3380 Instruction Book for Marker Beacon Installation AWA Type J52254
3381 The Redlich Glidepath Aerial – Report
3382 Airways Engineering instruction Performance Inspection Schedule – ILS Glidepath

3383 Handbook for ILS Logic Module Test Set
3384 ILS Signal Low Frequency Generator Type 302
3385 The Design, Performance & Implementation of ILS Glidepath Arrays (Lucas/Young)
3386 Technical Completion Report – ILS Hobart
3387 Component Schedule, AWA 75MHz Marker
3388 User's Guide Basic Narrow Direct Radiating Azimuth Antenna (BNDRA/AZ)
3389 Interscan (4 Volumes) Proposal for International Adoption (ICAO)
3390 Handbook for Interscan Equipment Vol.1B Antenna Feed Systems Azimuth and Elevation 1975
3391 Handbook for ILS/VAR Test Beacon Type T516 (STC)
3392 Microwave ILS Transmitter 20w 512GHz Type 4-SU-129A Azimuth & Elevation (2)
4210 Handbook for ILS Test Equipment Vol.1 Two Tone Generator Type QB.11-A
4211 Paper, Continuous Wave VHF Navigational Aids – ILS Localiser (D.B. Soothill)
6515 ILS Check Points (Diagrams); DCA Flight Survey Section.
4212 Instructions for ILS Localiser Maintenance, Aerial Adjustments
3393 Handbook for Interscan Equipment Vol.3 for Field Monitor Equipment (2 copies)
3394 User's Guide BNDRA/AZ Engineering model Vol.2
3395 Handbook for Interscan Equipment Vol.2A Airborne Angle Measuring Equipment
3396 Maintenance Manual for TDM Interscan (2 Volumes)
3397 Handbook for Interscan Equipment Antenna Feed Systems Azimuth & Elevation
3399 Handbook for Interscan Equipment Vol.1C Ground Angle Equipment AZ/EL Flare
3400 Development of L Band DME System for Microwave Landing System
3401 Microwave Landing System
3402 Interscan – Folder of Technical Papers
3403 Installation Instructions for AME VOR Type T52
3404 TI/Thompson-CSF Scanning Beam Microwave Landing System
3405 Technical Training Section – T58 Solid State VOR
3406 Airways Engineering Branch Complete Set AME/DCA Type T52 VOR Manuals
3407 ILS Equipment Marker Beacon Type STAN 3G-D
3408 ILS Test Equipment Vol.1 Two Tone Generator Type QB11-A
3409 Artificial Aerial Type AN458C
3410 Tender Schedule for Solid State VOR – 3 Volumes
5591 Handbook for VOR-S Beacon, DCA Type T57, VOLS 1,2&3
5593 Instruction Book for VOR Test Generator, FAA (Telectro) NY USA 1958
5633 Instruction Book for VOR Test Generator, FAA, (Telectro), NY, USA, 1958
6361 Handbook For VOR T58 Vol 4; Electronics Engineering
6289 Handbook for VOR Type 58A VOL 4 - Goniometer; Philips Tecom Co. Clayton Vic; DOT
3411 VOR-VHF Omnidirectional Range Type RAO 1615/2
3412 Electrical – File of Circuit Diagrams IP570R16G
3413 Study for Requirements for Arrivals, Radar Handoffs & Continuous Flight Following
3414 The First 10 years of DECCA Radar 1949-59
3415 Cossor SSR Aerial 800121 & 800121/1
3416 Handbook for Digital Radar Sweep Generator DSG-1
3417 Technical Manual Television Radar Cabinet
3418 Technical Manual Rolling Ball BR570D
3419 Technical Manual Data Selector
3420 Technical Manual Tabular Synthetic Generator
3421 Technical Manual Autonomous Scan Converter
3422 Technical Manual Tabular Screen ET 570D1
3423 Technical Manual Transmission Unit RMD20

3424 Technical Manual TI452 Video Converter
3425 Technical Manual Glidepath Transmitter KP62B
3426 Handbook for Radar Registration Generator – Component Schedule
3427 Technical Manual Vol.1 Radar Simulator Type SY2021C
3428 Technical Manual Vol.2 Radar Simulator Type SY2021C
3429 CSF Terminal Control Radar Aerial Erection
3430 Maintenance Manual for Video Effects Generator
3431 Technical Manual for RP700L Parametric Amplifier (2 copies)
3432 General Information on the Bright Display System (Radar)
3433 Operation and Maintenance Handbook for TV Symbol Generators
3434 Operation and Maintenance Handbook for Two Speed Control Stick
3435 Operation and Maintenance Handbook for T1442A Scan Converter Book 1
3436 Acceptance Test Procedure & report for Melbourne TAR Type RF800L (2 copies)
3437 Installation of TAR Melbourne Airport
3438 Maintenance Manual for Panoramic Radar Indicator IP570R169
3439 Technical Instructions for Line Amplifier ACE456A
3440 Descriptive Booklet – 23cm 2Mw Neon Indicator NJ05
3441 DECCA Airfield Control Radar Type 424
5527 Philips Service Wobbulator for Television GM 2877S
4213 Installation Manual for Radar Data Extractor EV 670
3442 Handbook for VHF Visual & Aural Radio Range Equipment (2 copies)
3443 Handbook for ILS Glidepath Equipment Type T41 (STC Aus) (2 copies)
3444 Handbook for Category II/III ILS Test equipment (STC UK)
3445 Instructions for UHF Radio Transmitter Type TUJ (Freq Range 109.9-127 Mc)
3446 Manual for LS371-Australia-Glidepath Vol.II
3447 Handbook for ILS Localiser Monitor & Remote Installation Telemetry Type MN8 (1&2)----
3448 Prototype Test Report VAR Monitor (AWA 1RG4567)
3449 Component Schedule for VOR Type T52 (3)
3450 Field Detector Type DEC 1630/1 Monitor Type MON 1623/1 (2 copies)
3451 Handbook for ILS Remote Control Equipment Type C3 (STC Aus)
3452 Manual for VOR Low Frequency Generator Type 103
3453 Instruction Book for H78A-2 ZIFOR II (Zero Indicator for Omni Remote)
3454 Handbook for ILS Test Equipment (STC Aus) (3 copies)
3455 Airways Radio Equipment VHF Radio Range (2 copies)
3456 Instruction book for Marker Beacon Installation AWA Type J52254 & 1J53554
3457 Handbook for ILS Glidepath Equipment Type T41 (STC Aus)
3458 Technical Manual for Radar Data Extractor EV610 Vol.1
3459 Airways Radio Equipment 33Mc Radio Range Beacon Equipment
3460 Manual for ILS Localiser STAN7 Sec.8 Modifications
3461 Manual for ILS Localiser STAN7 Sec.5 Maintenance Instructions
3462 Handbook for VOR Antenna (one element)
3463 Handbook for TV Link Receivers (CSF)
3464 Handbook for TV Link Transmitters (CSF)
3465 Technical Manual for RP700C Parametric Amplifier (with Gunn Diode)
3466 Drawings – Cossor CR21 Radar
3467 Handbook for Operation & Maintenance of Synchro TV Generator-Distributor Type MS832 1966
3468 Handbook for Radar Registration Generator
3469 Handbook for TV Scanning & Marking Generator Book 1
3470 Diagrams – Target Indicator 452

3471 Technical Manual for M.I. 470C Viewing Unit
3472 Technical Manual for M.I. 470C BDCA Viewing Unit
3473 Technical Manual for TV Scanning & Marking Generator Book 2
5592 Handbook ILS Localiser T40; STC 1959
5599 Handbook ILS Glidepath Monitor, MN9, VOLS 1&2, AWA, DCA
3474 Technical Manual for T.I. 452 Parts Breakdown
3475 Technical Documents – CSF
3476 Switchboard and Panel Instruments Catalogue
3477 Component Schedule DSI Radar Display Equipment
3478 Manual for BR470 Rolling Ball
3479 Training Notes – Introduction to SSR
3480 Handbook for Symbol Offset Unit Vol.1
3481 Handbook for Symbol Generator Calibration Unit Mk.1 Vol.1
3482 Handbook for Dual Radar Registration Generator
3483 Handbook for Radar Bright Display TV Grating Generator
3484 Handbook for Redifon Radar Simulator Book 1A – Operation & Maintenance
3485 Handbook for Redifon Radar Simulator Book 1B – Operation & Maintenance
3486 Handbook for Video Pulse Discriminator Unit
3487 Handbook for Operation & Maintenance of Pulse Generator Model 101
3488 Cossor – Appendix to CR21 Equipment Handbook
3489 Handbook for Type A276 - Part 3 Mechanical Overhaul Section (3 copies)
3490 Manual for Modification Kit for T1442 Australia
3491 Handbook for Modem Equipment GH-2003
3492 Technical Manual – Modem GH-2003
3493 Handbook for Surveillance Radar Type 8GR230 L-Band Air Route
3494 Handbook for Radar Synthetic Plot Generator Vol.1
3495 Outline of Navigation Aids and ATC Radars in NEC
3496 Handbook for TV Switching & Distribution Cabinet Type MD832
3497 Technical Instructions for Transistorised PPI TypeM1456
3498 Handbook for Portable DME
3499 Technical Manual for PPI Type 1P470-R-10
3500 Technical Manual for Synthetic Generator Type GS-670-GS470C3
3501 Handbook for Display Console Type TM-222A (Intercontinental Electronic Corp)
3502 Instruction Manual for Radar System Noise Monitor Model 732002
3503 Technical Instruction for Filter Cavity& Diode Limiter (Kit 5)
3504 Handbook for Radar Synthetic Plot Generator Vol.2
3505 Handbook for Operation & Maintenance of TV Camera Type C1215P
3506 Handbook for Essendon Approach Control Radar Part II – Drawings
3507 Handbook for Essendon Approach Control Radar Part I – Text
3508 Handbook for TX/RX Type ER410
3509 Handbook for Operation & Maintenance of Test Pattern Generator Type ME831
3510 Documentation Re: Melbourne TAAST Installation
3511 Radar Information Circular No.2 Route Surveillance Radars track Distortion & Visibility (2) 1968
3512 Radar Information Circular No.10 Introduction to SSR
3513 Radar Information Circular No.6 Video Map Generator
3514 Radar Information Circular No.4 Subclutter Visibility
3515 Radar Information Circular No.3 Tangential Fades & Blind Speeds
4182 Handbook of Symposium on Radar – Introduction to Radar Receivers & Displays
4183 Handbook of Symposium on Radar – Fundamentals of Radar

4184 Handbook of Symposium on Radar - Duplexing Systems, Crystal Mixers
3516 Radar Information Circular No.1 Performance Limitations of Primary Radar
3517 Coupling to NDB Aerials - Notes for Radio Maintenance Staff
3518 RAAF Transmitter Type AT15 Low Frequency
3519 Handbook for HF Ground Transmitter Type T49 (100w)
3520 Component Schedule for T41
3521 RAAF Pub. No.404 Instructions for Radio Type BC-191-F
3522 Handbook for Ground Transmitter Type T7 (2 copies)
3523 Handbook for MF NDB type NX-31 (fully Transistorised)
3524 Instruction Book for Air Radio Communications Installation – General Description
3525 Instruction Book for Beacon RF Unit
3526 Instruction Book for MF RF Unit GA Channel 3
3527 Instruction Book for HF RF Unit GA & PP Channels
3528 Instruction Manual for Aerial Coupling Unit TCA Type 1620/8D
3529 NDB report No.1 & 3e (4copies)
3530 Handbook for MF Beacon Transmitter Type T44
3531 Instruction Manual for Aerial Coupling Unit Type 1620/8D & 8F (2 copies)
3532 Handbook for NDB Type T48
3533 Proposed Frequency Reallocation Plan for NDB's in Australia
3534 Preliminary Instructions for Radio Transmitter BC-329-H & Associated Equipment
3535 Preliminary Instructions for Type 500C Radio Transmitter Equipment
3536 Handbook for NDB Monitor Type C1 – Auto Changeover (Thom-Smith Aus)
3537 Handbook for 100W M/F Beacon Transmitter (Phillips)
3538 Handbook for NDB Transmitter Type T48 (STC Aus) (2 copies)
3539 RAAF Pub.404 Transmitter Type BC-375-D
3540 Handbook for 100W M/F Beacon Transmitter Type 1663
3541 Instruction Book for Beacon RFUR7
3542 Operational Notes on NDB & ADF
3543 NDB's & Airborne ADF DCA Pub. 32
6295 Handbook For NDB Transmitter Type T69 (Philips)

3544 Instruction Book for Radio Transmitter BC-191-C,D&E and Associated Equipment, GEC USA 1940's
3545 Technical Instructions for Moving Target Indicator (MTI) Type MA372A1
3456 Australian Radio Stations – General Description Booklet (2 copies)
3547 Technical Instructions for Central Scanning Unit Type MC456R
3548 Handbook for Sweep Generator Type 1P470-R32 (2 copies)
3549 Maintenance Manual for SSR Extension to Radar Simulator (2 copies)
3550 Technical Manual for TV Monitor Type RV570A
3551 Component Schedule Radar Type RT18
3552 Technical Manual for Sync Distributor & Video Computer
3553 Handbook for Operation & Maintenance of T1442A Scan Converter Book III
3554 Notes – Signal Processing Applications Workshop Canberra
3555 Book of Diagrams – Melbourne Terminal Radar
3556 Technical Manual – Picture Monitor Type RV167-D (2 copies)
3557 Technical Manual – Video Monitor Type TV680/2
3558 Melbourne Radar Record of Test Flights 1 & 2
3559 Handbook for Radar Transmitter Type ER410T
3560 Technical Manual for TV Monitor Type RV 570A
3561 Technical Manual for Signal Generator Read & Write

3562 Handbook for Operation & Maintenance of Wobblator Type WO863
3563 Handbook for 4 Volt Dual Power Supply
3564 Cossor Radar Setting-up Procedure CR21 Vol.3
3565 Cossor Radar Setting-up Procedure CR21 Vol.2
3566 Technical Manual for TVT CF 151-S
3567 Technical Manual for Transistorised Stabilised Power Supplies
3568 Training Notes – CSF ILS Localiser

3569 Cossor Melbourne Radar – Drawings
3570 Handbook for Solid State Keyer Type KY10 (2 copies)
3571 Handbook for 100W M/F Transmitter Type T45 (Commonwealth Electronics) (3 copies)1971
3572 Handbook for NDB Monitor Type C1 (Thom-Smith Aus)
3573 Handbook for Test Rack Type T532 for NDB Type T56
3574 Handbook of Operating Instructions for Radio Transmitter BC-375C,D,E & Ass. Equip.
3575 Handbook for Ground Transmitter M/F 100W Type T46
3576 Instruction Manual for RAAF Transmitter Type AT15A (2 copies)
3577 Instruction Book for M/F Comms. Installation 1.5 – 3KW CW,MCW,RT Type J51015 (2)1946 AWA
3578 Airways Radio Equipment Handbook for Airaco M/F & H/F Transmitter Type 500C (2) 1947
3579 Instruction Manual for M/F 3Kw Transmitter Type T25 (STC Aus)
3580 Handbook for Transmitter Changeover & Monitoring Unit Type C12A
3581 Handbook for Ground Transmitter M/F 100W Type T49 (Commonwealth Electronics)
3582 Handbook for Ground Transmitter M/F 100W Type T50 (Commonwealth Electronics)
3583 Handbook for Transistorised Test Set Type TS22
3584 Instruction Book for Beacon RF Unit
3585 Airways Radio Equipment Airaco M/F & H/F Transmitter Type 500C Modified (2 copies) 1947 DCA
3586 Handbook for 100W M/F Beacon Transmitter Type 1663 (Phillips Aus)
3587 Handbook for ILS Localiser STAN7 Installation & Setting-up
3588 Instruction Manual for 500WM/F Transmitter TypeT7 (2 copies)
3589 Instruction Book for Model MN-26A & C Aircraft Radio Compass Equipment
3590 Handbook for NDB Aerial Coupling Unit Alignment Bridge
3591 Handbook for NDB Transmitter Type T48
3592 Handbook for Automatic Monitor & Changeover Equipment Type C1 (Thom-Smith)
3593 Handbook for Monitor Unit Type C12
3594 Component Schedule for NDB Transmitter Type T48
6297 Handbook Transmitter Changeover & Monitor Unit Type C12 Hawker Siddley
6356 Handbook for Solid State Keyer Type KY11, Radio Corp./DCA
3595 Handbook of Maintenance Instructions for Radio Compass Types MN26A – Y
3596 Component Schedule for Radar Type RT18 (CSF) TAR
3597 Technical Instructions for Auxiliary Reception Unit (Radar)
3598 Technical Instructions for Mixer Unit Type CM445
3599 Manual for Synchro/Digital Unit Type SCD7206
3600 Instruction Book for Echo Box Radar Test Equipment. Navy Model OBU-3
3601 Manual for CR21 Part 3 Setting-up & test Procedure
3602 Manual for Picture Monitor Type VM14S & VM17S
3603 Manual for Picture Monitor Type TV601-18 & TV607-18
3604 Technical Instructions for 23cm Parametric Amplifier Type NJ28A
3605 Handbook for Radar Simulator - Part Component Schedule
3606 Handbook for Redifon ATC Radar Simulator Type C835/4 Book 2
3607 Technical Instructions for Type MM375 MTI Maintenance Unit

3608 Technical Instructions for Transmitter/Receiver Type ER-410-K
6334 Description, Operation Maintenance Handbook Radar Simulator Type C835/4 Part 1, REDIFON
6335 Description, Operation Maintenance Handbook Radar Simulator Type C835/4 Part 2 REDIFON
6336 Description, Operation Maintenance Handbook Radar Simulator Type C835/4 Part 5 REDIFON
6337 Description, Operation Maintenance Hbk Radar Simulator Type C835/4 Part 6,7,8 REDIFON
3609 Handbook for Radar Bright Display TV Grating Generator Type RCP1
2896 Manual for AT 14A Transmitter 2-20Mcs
2897 Airways Radio Equipment Receiver RA1B
2898 Instructions for Transceiver Type 60725
2899 Instruction Book for Crystal Locked Communication Receiver Type C55184 (2 copies)1952
2900 Airways radio Equipment Transmitter J6924 2-20Mcs (5 copies)
2901 Airways Radio Equipment Transmitter AT20-M 2-20Mcs 500W
2902 Instruction Book for 500W HF Communications Installation Type J54800 (3 copies)1951
2903 Instruction Manual for Teleradio 60A Type 1N61355
2904 Instruction Book for General Purpose Communication Receiver CR-6 Srs C60600 (2 copies)
2905 Instruction Manual for Eddystone 730/6 Communication Receiver
2906 AIRACO Medium & HF Transmitter Type 500C modified
2907 Airways Radio Equipment Instruction Book for Type 14S Tansmitter (5 copies)
2908 Airways Radio Equipment Instruction Book for Type AR7 Receiver (3 copies)
2909 Operating and Maintenance Instructions for HF SSB/ISB Exciter type MA7917
2910 Instruction Handbook for radio Transmission type AM T150 (2 copies)
2911 Handbook for DCA Radiophone Type TRG4 DCA Type DCY/5043
2912 Handbook for DCA Radiophone Type TRG5
2913 Instruction manual for American Radio Equipment in service with RAAF – No.1 Transmitters 1944 Pub.404
2914 Instruction Manual for Bendix Radio Equipment RAAF Pub. No.201
2915 Instruction Manual for Unit Power Supply Bendix TA-2J-24 Transmitter
2916 Instruction Book for Model TA-2J-24 Aircraft Transmitter Equipment (2 copies)
2917 Advance Information – SSB Transmitter SST-10 Types 2J & 3J 60620
2918 Manual (BWE) Type 435A Transmitter 2.5-18Mcs 5Kw
2919 Handbook for SSB Communication transmitter DCA Type T22 AWA Type 2J-3J
2920 Handbook for Type 14S Multi Channel Radio Transmitter
2921 Component Schedule Transmitter Type T1 (2 copies)
2922 Instruction Book for AC Power Supply Unit Type 1H 50638
2923 General Purpose Communication Receiver Model AR-88D – Instructions
2924 Handbook for Type 14S Group % HF/LF Multi-Channel Radio Transmitter
2925 Handbook for HF Communications 203A Transmitters Types T9, T9A
2926 Instruction Manual for Frequency Shift Exciter Type EF1
2927 Handbook for Type T22 modifications in power supply control Section
2928 Handbook for Selective Calling for SSB Radio Telephone Series 2 Rack
2929 Instructions for RFDS TRAEGER 51MA Transceiver Equipment
2930 Instructions for RFDS TRAEGER 60725 transceiver Equipment
2931 Instruction manual for Ground Mobile Transmitter type AT15A RAAF Pub. 361
2932 Handbook for HF Communication Receiver Rack Mounting type R20
2933 Handbook for AT8 HF radio transmitter Type A817B
2934 RAAF Pub.404 Chapter 1 – Transmitters
2935 RAAF Pub.360 Handbook for HF Transmitters AT-13B, MF/HF AT-13C
2936 Handbook for SSB Receiver DCA Type R22
2937 Instruction manual for Aerocom HF Harmonic Filter Type 59A
2938 Airways Radio Equipment Receiver C7000

2939 Airways Radio Equipment Receiver RA-1B
2940 Instruction Manual for Frequency Shift Monitor Type EFM-1
4742 Instruction Book for AT-20 & AT-20M Transmitters
4743 Guide H.F. Transceiver Type R.T. 17 (Frequency & Wire Aerial) 3 copies
6303 Handbook for AT8 HF Transmitter Type A817A STC
2941 Handbook for Frequency Shift Converter Type TH2
2942 Handbook for Linear RF Amplifier DCA Type AM20
6489 Instruction Book for Transmitter Type GO-9; RAAF Publication No. 404 Chapter iv
2943 Handbook for Linear RF Amplifier DCA Type AM25
2944 Handbook for SELCAL Series II Rack Vol.1 (2 copies)
2945 Manual for SELCAL Ground Station Quikcall Tone Equipment (2 copies)
2946 Handbook for TE435A Transmitter HF 2.5-18 Mcs
2947 Preliminary Instruction for Type 500C Transmitter
2948 Handbook for Receiver HF Fixed Tuned Type R25
2949 Handbook for HF SSB Transmitter Type T28 Vol.1 & Vol.2
2950 Handbook for HF Communications Receiver DCA Type R20 (2 copies)
2951 Instruction Book for Crystal Locked Communications Receiver Type 1C55184
2952 Handbook for CODAN DCA Type CD5 (2 copies)
2953 Overall Schematic and Wiring for Transmitter Type J2876 Mk.3
5379 Photos for J2876 RF Cabinet
2954 Handbook for 50 Watt Twin-Channel HF Transmitter DCA Type 23
2955 Airways Radio Equipment – Receiver Type RA-1B
2956 Folio 2 Parts 1 & 2 for Transmitter Type J2876
2957 Instruction Manual for Frequency Shift Exciter Type EF1 2-5 Mcs
2958 Instruction Book for Installing, Operating, and Maintaining Superhet Receiver Types c, 1c, 3c 6770 1940 AWA
2959 Handbook for Dual Diversity Twinplex Frequency Shift Converter Type TH6
2960 Handbook for HF Transmitters DCA Types T9 & T9A (2 copies)
2961 Instruction Book for 500W HF Communications Installation AWA Type J54800
2962 Instruction Book for HF RF Unit G-A & PP Channels (2 copies)
2963 Instruction Book for MF RF Unit G-A Channel 3 (2 copies)
2964 Airways Radio Equipment Transmitter Type 14S
2965 Instruction Manual for Frequency Shift Monitor Type EFM1 (2 copies)
2966 Handbook for 1000W Modulator DCA Type N0. MD1
2967 Instruction Manual for 2/32Mc Inverted Discone Antenna 4201BA
2968 Instruction Book Air Radio Communication Installation – General Descriptio
2969 Instruction Book Power Unit 5P50905 for all Channels
2970 Airways Radio Equipment Transmitter Type 500C
2971 General Purpose Communications Receiver Model AR88D
2972 Instruction Book for Local Control Racks
2973 Instruction Book for Remote Control Racks
5458 Prototype Report HF SSB Transmitter T28 NSW/PRO/955
5592 Instruction Book Twinplex Converter Type 178 Model 1(DCA Type TH4) Northern Radio Co. NY USA 1956
5632 Instruction Book for Twinplex Converter Type 178, Model1 (DCA Type TH4) Northern Radio Coy, NY, USA, 1956
6298 Handbook For Granger HF Tx 5Kw model 272 - 6
6359 Handbook for SELCAL SSB/RTF Series 11 Rack Vol 2
6367 Handbook for Frequency Shift Converter/Comparator AN/URA 8B & CV 89A/URA 8A; US Navy
3733 Airways Radio Equipment – Transmitter AT20M
2974 Temporary Instructions for Radio Transmitter BC-640-A
2975 Handbook for Tx/Rx VHF/AM DCA Type RT36 (Plessey) (2 copies)

2976 Handbook for 100W RF Power Amplifier Type 480PA4 DCA Type AM13A
2977 Handbook for FM Transmitter DCA Type T36 148-174 Mcs & Tx Changeover Unit C19 1965 DCA
2978 Airways Radio Equipment VHF Transmitter Information Bulletin Series 1 & 2
2979 Handbook for Coaxial Resonator Filters Types FR8, 9, 10 & 11 (2 copies)
2980 Instruction and Maintenance Manu for Radio Telephone Type RT35
2981 Handbook for UHF radio Equipment 400-470 Mc (AWA)
2982 Handbook for Rack Mounting VHF Communications Receiver Type R30 (AWA) (2)1963
2983 Instruction Manual-American Radio Equipment in Service with the RAAF-Pub 406
2984 Instructions for Test Equipment IE-36
2985 Instruction Book for SCR 522 (2 copies)(Also circuit, console and rack diagrams in separate folder)
2986 Instructions for Operation and Maintenance of BC-624-AM Receiver
2987 Instruction Book for Model 8251 Termaline Coaxial Load Resistor
2988 Handbook for RAAF Power Supply Type V
2989 Research Lab Report No.3113 – Service Area of Urban R/T Operating at 160Mcs
2990 Technical Manual Radio Set AN/TRC-1, 3, 4 & Amplifier Equipment AN/TRA-1
2991 Instruction Book for Operating and Maintaining of SCR 522-A
2992 Technical Manual for Radio Set SCR-609-A & SCR 610-A
2993 Instruction Book for AWA Remote Control Rack Type R7191
2994 Instruction Book for AWA Type 1J5474R
2995 Carrier Telephone System RY461 for DCA
2996 Unidirectional Carrier Phone System Type RW19, RW20 Vols.1,2,3 & 4
2997 Handbook for 250W RF Power Amplifier DCA Type AM15 (AWA) (2 copies)
2998 Handbook for One-way Duplicated VHF Radio Link Equipment (CE Electronics)
2999 Laboratory Test Report No. NSW/Lab/981 Investigation of RF Stage of VHF Rx R30 1962
3000 Laboratory Test Report No. NSW/Lab/2302 Investigation of R34 UHF Receiver
3001 Handbook for VHF Transistorised Receiver Type R33
3002 Handbook for VHF Radio Link Equipment Sys C1 DCA Type RL-1C1 (AWA)
3003 Handbook for Coaxial Resonator Filters
3004 Instruction Book for 250W VHF Transmitter DCA Type T30
3005 Handbook for UHF Portable Transceiver Redifon A43R
3006 Handbook for Receiver DCA Type R34 (PYE Australia) 225-400 Mcs
3007 Installation Manual for Type T34 UHF Ground Radio Transmitter
3008 Maintenance Manual for CNS-220 VHF Air Navigation System
3009 Operating Instructions for Model 600 FM Monitor
3010 Handbook for FM Receiver 148-174 Mcs Type RAC2 (Vinten)
3011 Handbook for UHF Radio Equipment Code Sender Vol.4 (AWA)
3012 Instruction Book for Ground Plane Aerial Series Y51848
3013 Handbook for UHF Radio Equipment System RL-16-17-18 Repeater Dial Rack (AWA)---
3014 Service Manual for Emergency Beacon EB-2B
3015 Handbook For T35/R35 VHF/FM Transmitter/Receiver
3016 Handbook For UHF Radio Equipment Miscellaneous Communication Units for Control1966
3017 Handbook For RF Power Amplifier 100W 406-47SMC Type AM13
4745 Service Manual (issue 5 and issue 4) Bantam VHF FM Type HP1 FM Radiotelephone
4746 Handbook for Remote Control Unit Vinten Type RCU4
3018 Service Manual for Bantam VHF/AM Radiotelephone Type HP1AM
3019 Instruction Manual for Model 4203-AA 3/32Mcs Inverted Discone Antenna
3020 Automatic Calling/Signalling in HF Air/Ground/Air Enroute Communications
3021 Handbook for Model 664-3 Omni Directional Antenna Array
3022 Handbook for Selcal SSB/RTF Series III Rack Vol.1

3023 DCA Tender Schedule No.C65/80 Transmitters HF 10Kw Exciter and Aerial
3024 Operating and Maintenance Vol.8 10Kw Linear Amplifier TA.184
6290 Maintenance for Speedrace 10Kw linear amplifier TA184, VOL 9; RACAL Electronics UK
3025 Instruction book for Local Control Racks P50692 & 3 NDB/HF/MF
3026 Instruction book for Power Unit 5P50905 NDB/HF/MF (2)
3027 Instruction book for HF RF Unit G-A & P-P Channels Unit 6J50904
3028 Vocabulary of Stores Y Group Radio Transmitters
3029 Instruction book for Air-Radio Communication Installation – General Description
3030 Component Schedule Transmitter Type T.1
3031 Llandilo (NSW) International Transmitter Station – General Information
3032 Component Schedule AR7 Receiver (2)
3033 Airways Radio Equipment Instruction book for Type AR7 Receiver (2)
3034 Airways Radio Equipment Instruction book for Type AR7 Receiver
3035 Handbook for 500W HF Radio Type A.817B
3036 Instruction book for 500W Radio Type AT8 MkII-MkIII
3037 Instruction book for Frequency Shift Transmitter Type Y6090 DCA Type T3
3038 Instruction Manual for Cathode Ray Frequency Shift Tuning Indicator
3039 Report on Investigation of the T3 (1609) 1Kw Transmitter
3040 Instruction book for Frequency Shift Monitor Equipment Type Y4110
3041 Frequency Shift Keyer Type KY5 – Information
3042 Handbook for Frequency Shift Keyer Type KY5
3043 Handbook for Frequency Shift Keyer Type KY5 Issue 2
3044 Instructions for Installation Operating and Maintenance of AWA Remote Control Rack Types R3666 & R5332
3045 Modification Bulletin No.61355/1 for Teleradio 60A & 60B
3046 Maintenance Instruction Handbook for Carpenter Polarized Relay Type 3 (2)
3047 Technical Maintenance Plan & Servicing Info AT-26 Mk2 & Mk4 5Kw FSK & SSB Sys ----
3048 Handbook for Dual Diversity Twinplex Frequency Shift Converter Type T116
3049 Handbook for 50W Twin Channel HF Transmitter Type T23 (2 copies)
3050 Component Schedule for HF TX Type T23
3051 Technical Description for HF TX Type T23
3052 Handbook for RAAF TX type AT14 (Thom & Smith)
3053 Handbook for Frequency Shift Converter Type TH2 (Trimax)
3054 Notes on Selcal Series 2
3055 Handbook for Ground Mobile Transmitter Type AT14A RAAF Pub 364
3056 Instruction Manual for HF 5Kw Communication Transmit Type CX4
3057 Instruction book for Installation/ Op/Maint of AWA Superhet RX Type C,1C, 3C6270 1948
3058 Handbook for Communication Transmitter Type J51015 Telegraph 4Kw, Telephone 3Kw 1946 AWA
